## Thank you

When Leo and Lil's barn burnt, shock, disbelief and emotion set in as family, friends and community overwhelmed them with support and assistance in so many ways. Words of encouragement, advice, food, labour, donations of equipment, bean and corn seed for spring planting, replacement cows, DJ services, financial support as well as taking the time to check-in are just some of the ways that people unselfishly shared their generosity. A local 9-year-old boy even donated his allowance to help rebuild. A special thanks to those who organized the events to support the family. They were truly moved just to mention some of the kind gestures. To top it all, so many came out to the benefit dance to support them.

*Leo and Lil will not forget  
the overwhelming generosity!*
