ARENA ADVERTISING

Attention Business Owners! The WDRA rents advertising wall space inside the arena. The signs are mounted on the wall surrounding the ice surface area. These billboards offer an excellent opportunity to promote your business as well as express your support for local events in the community. As a business owner, you can be sure that your advertisement will be seen by hundreds of spectators each year. Contact the WDRA at wdra@nrtco.net for more information and make plans to have your ad ready for the next ice season.

**New to the "Ottawa River Shoreline" page of the
HWTProject:** The Laurentian Ancients and their 5,000
year old archaeologic remnants; the 1613 Diaries of
Samuel de Champlain and more on the Ottawa-Lake
Coulange Fur Trade scene from 1793 to 1821, have all
been added to the OTTAWA RIVER SHORELINE. This
help us understand the Indigenous Algonquin society
through Champlain's observations of native farming,
burials and lifestyle. A 2006 paper by David Croft
shows the accuracy of Champlain's measurements
crossing overland using Muskrat Lake and the Stogua
Portage at Perretton or maybe the Winter Route at
Greenwood.

Trivia Question: Where is Petoby Lake?
