2005 School Project Now Available Online.

In 2005 at the Westmeath Public School, the Grade 7/8 students in Mr. Mike Popke's history class were tasked with interviewing and researching local men or women who served in the defence of our country. The students interviewed either the war veteran, if available, or a relative or friend of the soldier. The war stories were mounted on Bristol board and these panels were shown to the public at the 2006 100th Anniversary Celebration of the Westmeath Public School.

The panels are annually posted in the Westmeath Rec Centre Hall each Remembrance Day. The panels were all scanned or transcribed and loaded onto the Historic Westmeath Township website. You can access the stories under the Churches "Burial Grounds and Lest We Forget." on <https://hwtproject.ca/>.
Thank you for continuing to support the website.
