

Closing Remarks

- As we move into the future we remain positive
- We will continue to be guided by a few very general objectives:
 - To provide the broadest range of recreational, social facilities and services possible that will enhance the active life styles and wellbeing of the Westmeath and Area Residents.
 - Be all inclusive in scope, targeting preschool-age children, school aged children, youth, teens, young adults, adults, seniors, people of all ages with special needs, families, community agencies, institutions and potential partnerships.
 - Maintain the Recreation Center at the heart of the community. People in the community are where peace, security, meaning and fulfillment happens.
- We have an amazing facility, as well as an incredible community, which I am **very proud** to be a member of.
- We welcome your comments on how we can improve our Community Center for you and how we can help develop your ideas for new activities and events. If you have any comments or suggestions, please come and talk to us.
- We are always looking for new members and new volunteers

I would like to thank everyone for coming out this evening.
